

PROUDLY PARTICIPATING IN PARKS!

Omega II Fence Systems offers a variety of solutions for any type of parks. We have proudly participated in dog parks, kids parks, community parks, water parks, National parks, amusement parks and much more. The Omega II gates are a perfect complement for parks requiring a closed perimeter. Our “Art of Blending In” slogan shines when the parks are protected, but the visitors don’t feel closed in. Please let us participate in your next PARK project!
